

## **REMARKS**

Reconsideration of the rejection of record is kindly requested.

Claims 1 and 2 are allowed in the Office Action.

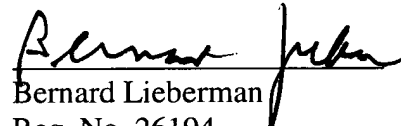

Claims 1-6 are rejected under the doctrine of double patenting over US Patent No. 6,432,904. To overcome such rejection there is submitted herewith a terminal disclosure over US Patent No. 6,432,904.

Claims 3-7 are cancelled without prejudice to prosecuting the subject matter of such claims in a continuation application.

Accordingly, it is submitted that the present application is in allowable form and an action passing this case to issue is respectfully requested.

Any fee due with this paper may be charged on Deposit Account 03-2455.

Respectfully submitted,
